

## A COMPLETE BOOKLIST

Hey there, fellow scribe!

Thanks for your interest in my writing guides. I truly hope that they will help you to banish the storytelling dragons you've struggled with in the past—so you can hold fast to your writing dream, even when life tells you to let go.

I wish you much success on your storytelling journey.

~ H. R. D'Costa, [scribemeetsworld.com](http://scribemeetsworld.com)

Book Title	Ebook	Print
